

TRANSFORM YOUR CLUB WITH

MID-ATLANTIC PREMIER LEAGUE (MAPL)

A US Club Soccer National 1 League (N1) Member League

MAPL provides a nationally recognized platform designed to elevate clubs, players, and coaches through high-level competition, professional standards, and proven development pathways.

WHY MAPL?

The Mid-Atlantic Premier League has been chosen as a league operation for National 1 League for the 2026/27 and beyond. MAPL is a US Club Soccer sanctioned league and organization built by club leaders for club leaders!

Domestic and International Opportunities
Through *Global Sports Experiences*, MAPL teams gain access to curated international training and competition experiences.

Foundational League (U7-U18) MAPL's Foundational League establishes age-appropriate competition standards that support long-term player development.

Technology & Player Exposure

In partnership with *Trace*, MAPL provides free AI-powered cameras at all league matches, delivering full-game video, highlights, and player clips.

Player Development & Identification

Launched a US Club Soccer Player Development Program (PDP) this year. MAPL created our Regional Development Program (RDP) that increases exposure to id2 National Camps and provides a competitive development player experience.

Coach Education

MAPL offers access to USSF License courses annually, reinforcing ongoing coaching education and professional growth.
